

Feline Blood Donors Needed

The Blood Bank at ACCES Animal Specialty Center is looking for a few good cats to enter our blood donor program! Feline blood is often on back order through national blood banks. One goal of the ACCES Blood Bank is to always have blood available for cats in the Puget Sound area.

All feline blood types are accepted into the program.

Why be a blood donor?

- One blood donation can save 2 lives
 - Blood donor screening is completely free, and is repeated annually at no cost to you
- Donors receive a toy at every donation
- Donors receive 1 free transfusion at ACCES if needed
- Other special benefits

Donor Requirements:

- 1-5 years of age
- Indoors only
- Never had a transfusion
- Friendly with a good temperament
- Current on vaccinations
- Weighs at least 10 pounds
- Not used for breeding
- Healthy
- 12-donation commitment

Call or email for information or to set up an appointment. Dogs are also needed for the program. Start saving lives today.
